# On Display

## Lockyer Valley Regional Council Art Collection

Selected works from Lockyer Valley Regional Council's Art collection have been retrieved from storage and taken off the walls to be *On Display* for public viewing.

1 March to 12 May 2024

# Paint the Town

Flying Arts Alliance in partnership with  
Museums & Galleries Queensland

Audiences will be treated to an award-winning selection of regional Queensland talent in the exhibition *Paint the Town*.

*Paint the Town* is the touring exhibition of the 2021 Queensland Regional Art Awards, and coincides with Flying Arts Alliance in partnership with Museums & Galleries Queensland celebrating 50 years of delivering visual arts projects and services to regional and remote Queensland.

Evoking the spirit of all things jubilant, exhibition artists have responded to the question – *How do you celebrate?* Is it serene or riotous – a party, a big bash, a festival, or a simple elegant affair? Does it display explosions of joy or quiet moments of reflection and gratitude; ceremony, tradition or ritual; a sense of occasion or ‘just because’?

The Queensland Regional Art Awards is an annual visual arts prize and exhibition for established and emerging artists living in regional and remote Queensland.

# Tri Exhibition

## Different Strokes

Kevin Gillum

Artworks created from the colours and tones seen through the artist's eyes. Kevin is colour blind and his main artistic interest is landscapes.

## Encounters

Richard Blundell

A series of oil-paintings focusing on Daisy Hill's bushland. A hallmark of these paintings is the integration of Eastern meditation with Western 'en plein air' practices.

## East Coast of Australia Landmarks

Richard Smith

Landscape photography showcasing landmarks along the East Coast of Australia.

12 July to 25 August 2024

# Beyond Bounds

Darling Downs Textile Art Group

Textiles may not be what you expect.

This exhibition *Beyond Bounds* will include fabric flowers, soft sculpture forms, wearable art and clusters of vessels. The works seamlessly incorporate traditional textile approaches to exploring new possibilities.

Confidently using their chosen techniques, our artists turn soft yielding textiles into free standing art and tell stories of what they value, and their unbounded love of a life told in textiles.

30 August to 13 October 2024

# TogetherNESS

High Schools of the Lockyer Valley

*TogetherNESS* showcases student work from various high schools in the Lockyer Valley.

Featuring a diverse range of artwork, viewers are invited to perceive the works through the eyes of a teenager growing up in the Lockyer Valley.

Sometimes beautiful, sometimes challenging, the works demonstrate student responses to, and their interpretation of, the places, people and politics they encounter. This keenly anticipated exhibition is embraced by both the local community and visitors to our region.

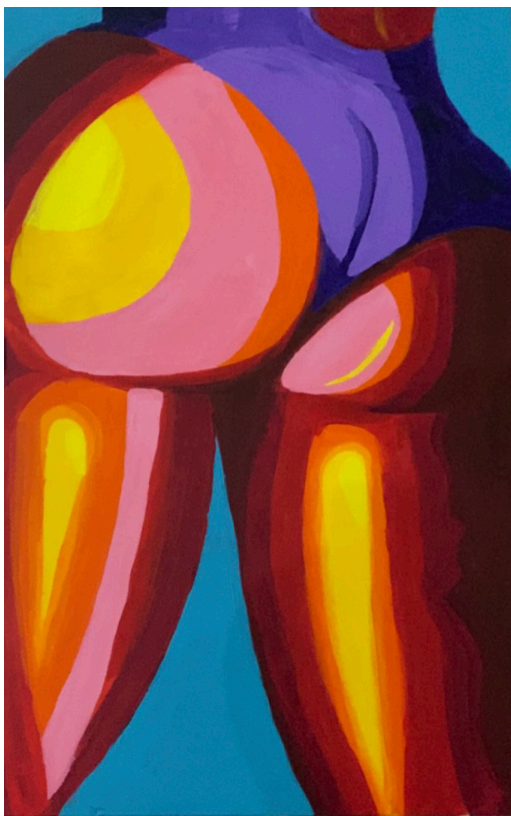

18 October to 1 December 2024

# My Body of Work

Sarah Seletto

This collection of self-portraits documents the exploration of ways we see ourselves and our body. The artist uses colour, line, and angles to create her imagery focusing on different areas of the body and the lines they create. Some of the paintings are larger than life in bright, bold colour palettes, while others are smaller in truer to life colours. All the paintings are of the same body, however depending on the pose or colour choice, it can appear big and curvy, or small and flat. The takeaway is your body is deserving of love no matter how it appears.

6 December 2024 to 26 January 2025

# Windowpanes

Various Artists curated by  
Lockyer Valley Art Gallery

This exhibition brings together a variety of artists and artworks all working on the same theme *Windowpanes*. Imagine you are looking through a window (introspective or outward-looking), what do you see? What is your windowpane? Exhibitors have been asked to portray their idea of *Windowpanes*.

Exhibitors will be asked to apply for this exhibition with further details to come.

# Regional Arts Development Fund

The Regional Arts Development Fund (RADF) is delivered as a partnership between the Queensland Government through Arts Queensland and the Lockyer Valley Regional Council to support local arts and culture.

Council's RADF program promotes the role and value of arts, culture and heritage as key drivers of diverse and inclusive communities and strong regions. The program is a flexible fund that invests in local arts and cultural priorities.

Up to two funding rounds are offered each financial year. These rounds are advertised through the gallery newsletter, local and social media.

Sign up for the gallery newsletter and stay up-to-date with RADF rounds and funding opportunities.
